RE: Disadvantaged Business Enterprise Certification

Dear Ms. Vreeland:

We are pleased to inform you that your firm has been approved for participation as a Disadvantaged Business Enterprise (DBE) with the South Carolina Unified Certification Program.

The Unified Certification Program is a "One-Stop Shopping" certification program that eliminates the need for DBE firms to obtain certifications from multiple USDOT recipients that receive federal financial assistance within this State. A list of recipients is attached for your reference.

As a condition of your certification, you will be required to submit your Personal Financial Statement, an Affidavit of No Change, and current Tax Returns on an annual basis. You must report to this office any changes in ownership, management, control and location of the firm. Your firm will be listed in the Unified DBE Directory as follows:

Erosion Runner Midwest, Inc.
155 Evergreen Dr.
Springboro, OH 45066
(937)435-1920
Contact: Amber Vreeland

Area of Work: Silt Fence, Safety
Fence, Chain Link Fence, and Inlet
Protection Installations

If you have any questions regarding your certification or the Unified Certification Program, in general, please call Moses Ashford or Gary S. Linn at (803) 737-1372.

Sincerely,

Arlene Prince
