 Springboro, OH 45066

Dear Ms. Vreeland,

The Missouri Department of Transportation (MoDOT) has completed the review of your application for certification as a Disadvantaged Business Enterprise (DBE). Based upon the application, including supporting documentation, and pursuant to 49 CFR Part 26 it has been determined that your firm does qualify for participation in the DBE program. Your firm is now included in the Missouri Unified Certification Program (UCP) and will be included in the MRCC's DBE database. This certification is effective on this date and is valid until March 17, 2012. You will be required to submit a yearly update which will be provided to you approximately 60 days prior to the anniversary date of this letter.

In compliance with the federal regulations, MoDOT has determined that your firm is qualified to participate as a DBE in the work types set out below and in the DBE Scope of Work Statement attached. The work performed by your firm will only count toward contractual DBE goals for those work types. If you wish to expand your scope of business you must make a written request to MoDOT for review and determination.
